# About Me

Creating travel content for people who go solo when they want and together when they can.

I'm a Texas-based travel creator who believes you don't need to wait for the perfect travel companion to see somewhere new. I create approachable, experience-driven travel content that blends destination inspiration, practical tips, and the occasional TikTok trend.

## PLUS ONE OPTIONAL

Plus One Optional is a travel platform for people who go solo when they want and together when they can, combining personal travel stories, practical guides, itineraries, and photography to make exploring somewhere new feel a little more approachable.

# Collaborate

Let's create something worth traveling for. I'm available for travel-focused partnerships that bring destinations, stays, and travel experiences to life through authentic short-form content, photography, and storytelling.

HAVE A TRIP, DESTINATION, OR STORY IN MIND? I'D LOVE TO HEAR ABOUT IT.
